

Do you like playing CRICKET?

Want to be the next Mitchell Starc or Elyse Perry??

The BUREKUP CRICKET CLUB is seeking future cricket stars of all ages as we look to continue and grow Burekup cricket in the Bunbury & Districts Juniors Cricket Association competitions this upcoming cricket season.

Any budding cricketers that would like to join our very successful cricket club please register your interest online at playcricket.com.au and searching for Burekup, or by phoning your queries to Nathan King on 0419 966 745.

Children who will be starting Yr5 through to Yr9 in 2020 are invited and welcomed to register their interest to play in the various year-group competitions within the BDJCA.

For those younger children (year 4 and below) who are still keen to play cricket this season, we are also looking at running other Junior and Master Blaster Programs and we encourage you to also register your interest online at playcricket.com.au

We'd love to see you on the pitch this season.
