

Kindergarten

What a busy term we have had! We have learnt so many new things and have had lots of fun playing with our friends. We love digging at the water pump in the morning and playing with the dump trucks. Kindergarten days are very busy, and we enjoy going to the library and music each week.

We have learnt how to clap syllables in words and have created some wonderful pieces of art. We love drawing, and our "Giraffes Can't Dance" pictures were amazing! Our favourite story is "Mrs Wishy Washy." We love retelling the story using our cross Mrs Wishy Washy voices!
