

# PRE-PRIMARY IS AMAZING

This term has been extremely busy for our precious Pre-Primaries. We began the term with our Class Assembly. The children loved designing and creating their own wings for their costumes. They were perfect for our performance of the dreamtime story, 'How the Birds Got Their Colours'. Dreamtime stories teach us all about kindness, sharing and including others.

We were very lucky to have Father Wayne give us a special tour of the Church and explain all the important elements of the Church. We are beginning to learn all the special names and how to respectfully behave in God's house.

Art is so much fun! While combining our knowledge of the world around us and our knowledge of shape, colour, line, and texture we have had a lot of fun creating landscapes, perspectives, and mosaics.

We express our ideas and creative imagination through song, narrative writing and investigating through small worlds and role play. We are writing narratives using a story starter, sentence starters, and adjectives to make our writing more exciting and to take our reader for a journey throughout the day. We are independently writing words and sentences using our knowledge of sounds to make our spelling choices.

Book Week saw us go undercover as our favourite book characters. We loved seeing the whole school dressed up at the parade.
