

Year 1

What a busy time we have had in Year 1. Many milestones have been achieved this term. We celebrated 100 days of school, reflected on how special our families are with a Liturgy, visited the church plus so many more exciting things.

Learning with our friends has been such fun. We have learnt to accept everyone and help each other in our own learning journeys.

Our worlds went back to the past into a prehistoric world to explore the world of dinosaurs. Creating dinosaur reports and art has kept us busy!

Book week celebrations saw our Year 1's transform into some amazing book characters for the day. Mrs Rabjones and Mrs Stenhouse became the beautiful butterflies like our class pets from the story *The Hungry Caterpillar*. We have enjoyed watching our caterpillars grow and transform over the term.

In preparation for next term's sport carnival we have become fitter and learnt all the games. We will be ready to cheer on our faction very soon.
