

Year 2

Term 3 2022

We have had a wonderful year so far.

In Literacy, we have had a lot of fun learning about how to write procedures. After studying a procedure for Gruffalo Stew, we are starting to write our own recipes and procedures.

In Mathematics, we have been learning how to do multiplication and division.

In Religious Education, we have been learning about Prayer and Reconciliation.

We had lots of fun during Wellbeing Week, with mindfulness, dance and a variety of relaxing activities to keep our spirits up.

We are looking forward to our school's Fathers' Day breakfast.
