

# YEAR 3

Welcome to year 3. We have been so busy learning. This year, we started the Talk for Writing Program. We began with "Where the Wild Things Are" and created a story map with actions to help us remember the text. We learnt about characterisation. We have moved on to learning about persuasive text. We even had a mystery lolly jar appear, and we had to convince Miss Dillon to open it!

I loved it when we got to imitate the text to create our own— Sadie
