

# Year 3

We continue to make great progress in all learning areas. We studied “George’s Marvellous Medicine” by Roald Dahl as well as looked at the works of William Shakespeare.

Macey's perilous potion for love potion's special powers  
By Macey Williamson Year 3

Sizzle sizzle, fry and frizzle,  
Teach this saucepan not to glizzle.

You will get the power of charm,  
It will give you lots of harm!

Don't forget to put your lipstick on,  
It is not a day without your song

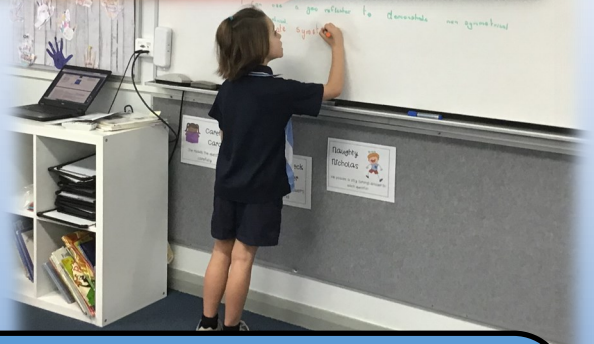

Make sure you listen to me,  
Or you will be stuck in some tea!

Yourself you will recreate  
And you'll fall in love with Nate!

Lip of Prince Charming  
You will no longer have to do farming!

Out in a Kiss and a hug,  
Come here my love bug!

In HASS we have been looking at World Heritage Sites, specifically in Australia, that one day we hope to visit.

We have been learning how to write success criteria that relate to our learning intention. We can articulate the purpose behind our learning.
