

# YEAR 3

We come to school to be amazing, be kind, learn and improve, be with our friends and laugh.

Year 3's are enjoying learning about local Dardanup history during HASS. The Thomas Little Hall that is on our school grounds was the first country Catholic church built out of Perth. We also discovered why one of our factions is called Thomas!

Talk 4 Writing this term has had the year 3's investigating dragons! We wrote news articles and information reports about dragons. We also drew our own dragons and wrote some great descriptions about them and created maps of where they live.

In Visual Arts we looked at artistic processes and techniques and created our own parody of the Mona Lisa.
