

Year 4 News

Meet our wonderful Year 4 class.

We have only been in Year 4 for a few weeks, but it has been very busy and we have worked so hard already!

During our reading activities we have been carrying out an author study of Anh Do and have enjoyed learning about his life. He is such a talented writer and we have been so entertained by his stories.

In writing, we are learning about narratives. We are using descriptive language and including speech throughout our stories.

We are determined to learn our times tables in Maths and have been doing lots and lots of practise! We even have a competition between the boys and girls. Who do you think will win?
