

Fantastic Fives

WOW! The year is disappearing quickly! The Year 5 class has made a fantastic start to the year. We have been busy doing a lot of work, participating in some interesting activities and enjoying time with our friends.

We had a visit from BCC earlier in the year. Past students came to tell us about High School life and what to expect.

We walked to Dardanup Primary to take part in Harmony Day activities.

We have also been lucky enough to participate in a cricket and a football clinic since school began.

In Maths we are learning to convert fractions into decimals. We have also studied how to add and subtract fractions with different denominators. We are producing posters to remind us how!

In English we have started a novel study on 'Rowan Of Rin.' We have also written both narrative and persuasive texts.
