

YEAR 5 TERM ONE

Term One started with a new style of seating. We are getting accustomed to using our pigeon holes to store our books and stationery, and to the classroom furniture being moved on a regular basis. Every morning we look forward to finding out where we sit and who we will be sitting with for the day.

Year 5 2023

Purpose Statement

We come to school to be creative and learn skills that will help us when we want to get a job and/or go to university, make new friends, feel calm, safe and happy, and most of all, to laugh each day.

At the beginning of Term One we discussed the purpose of our schooling and together we formed our class purpose statement and a list of helpful and unhelpful behaviours which will help us achieve our goal.

Term One has been a very busy term. We have been writing narratives and persuasive texts on Word and practicing how to use our iPads in readiness for NAPLAN on-line. We have discussed how famous artists use colour to evoke feelings and discussing how warm and cool colours can help achieve this. Along with all the usual lessons, we have also participated in Netball Clinics and we all really enjoyed our World of Maths Incursion.
