

Fantastic Fives

WOW! The year is disappearing quickly! The Year 5 class has enjoyed swimming lessons this term.

In Maths we are making 'Radical Robots' as our final assessment piece for our units on 2D and 3D shapes. They will be ready for Open Day.

In English, we are starting our Poetry unit. Our assembly will feature some Poetry reading.

We had a visit from the students from Bunbury Catholic College who are in their production of Beauty and the Beast. We took part in a workshop incorporating acting and improvisation.

Mr Vine has been helping us look at communities and what a community needs to function effectively.

In HASS, we are looking at needs and wants. We have also categorised resources into natural, capital and human.

We had a great time on Science Day. We moved around the school and participated in a wide variety of interesting and educational activities.
