

Year 5 Term Three

At the beginning of Term Two, Year 5 were involved in the inaugural Wardandi Gift hosted by Bunbury Catholic College. Students had to learn about a First Nations language group and design a T shirt and Totem post for their group. There were many activities on the day and four representatives ran in a relay to represent their language group.

Reconciliation week activities

WESTIE was the theme for MJR Term Two. We all tried to be more Welcoming, Encouraging, Say Sorry when Needed, Thankful, Inclusive and Enthusiastic.

STEM day - build an avatar of yourself.

NUMERO challenge was a great afternoon.

SELF Portraits – students were challenged to take selfies and draw self-portraits. This was the first step of the learning process, before choosing an important person of their choice to enter into the Year 5 Young Archies Portrait Exhibition, ready for open morning.
