

## Year 6

This term in Year 6 we have all settled in really well. We started with a leadership retreat, we went to the BCC production of Matilda, World of Maths incursion, Basketball clinic, Harmony Day and Year 6 Assembly. Our assembly went really well and there was definitely some great dancers in the group.

In English, we have been focussing on narratives and recounts. We have written some great sci-fi stories. We have also been summarising what we have been reading and identifying the main ideas. In Maths, we have been learning how to measure length and area of different objects. We have also been practising our addition and subtraction skills. In Religion, our focus has been Lent, Easter and Eucharist. We will be reenacting the Stations of the Cross.
