

Year 6 Term 1

In Term One, the Year Six class have made a great start to the year. They have started their role as leaders and are so far doing a great job at being role models to the younger students. They are running assemblies, helping with the sports shed and assisting with our new MJR faction tokens.

In class, we have started the Talk for Writing program, Accelerated Reader and learning all about the four number operations. We have also participated in the Cricket clinic and contributed ideas for the Ferguson Art trail during a workshop with the Shire of Dardanup.
