

Year 6

TERM ONE 2023

The Year 6 class have had a great start to the year. We have lots of exciting things to participate in this term. We have our last assembly for primary school, school disco, Harmony Day, our first Faction Fun day, Netball clinics, Charlie and the Chocolate Factory Production and World of Maths incursion.

The school leaders have lead the school in Masses and assemblies. All Year Six students have been setting a good example to the rest of the school students. We are looking forward to announcing Faction Captains after Faction Fun day.

In class we are focussing on Lent and Easter in Religion. In Writing we have been writing a portal story and working on developing a setting. In Reading we have been learning how to summarise and identify the main idea in a text. In Maths we have been building our mental addition skills through number talks. We have been learning all about our Australian levels of government and the history of Federation in HASS.
