

# Term Three Year 6

This term in Year 6, we have had lots of exciting things to take part in. In Religion we all chose a saint we admired and wrote a project on Canva about them. Some students received the Sacrament of Confirmation.

It was our last Book Week dress up and we all went to a great effort to find a character and have some fun. We had a great time on Science day, making windmills, slime and bags out of recyclable materials. We are looking forward to camp and faction fun day, all later in this term.

In class we have been doing a novel study in groups. We have been learning about Australia's migration history and global connections in HASS. In Maths we have been learning all about fractions, decimals and percentages.
