

Term Three Year 6

This term in Year 6, we have had lots of exciting things to take part in. We are currently enjoying school swimming lessons for the last time in primary school. We participated in the World of Maths Incursion and a drama workshop from BCC. We are going to watch the 'Beauty and the Beast' production presented by BCC. We had lots of fun on Science day, examining finger prints and creating Avatars. We are looking forward to camp, book week and faction fun day, all later in this term. In class, we have been learning about vocation and Mary Mackillop in Religion. In writing we have been creating historical narratives about migration to Australia on Sway. We have enjoyed learning about electricity and making ghost houses in Science. In Maths we have been learning algebra and it is so much fun!
