Respect

What is Respect?
Respect is an attitude of caring about people and treating them with dignity. Respect is valuing ourselves and others. We show respect by speaking and acting with courtesy. When we are respectful we treat others as we want to be treated. Respect includes honouring the rules of our family or school, which make life more orderly and peaceful. It is knowing that every man, woman and child deserves respect, including you.

How do you Practice Respect?
Think about how you would like others to treat you and treat them with the same dignity. How would you like others to speak to you, treat your belongings, and your right to privacy? If you want to use someone else’s things, ask, and then take good care of them. Express even your strongest feelings in a peaceful way. Treat yourself as you feel others deserve to be treated. You deserve it too!

INTEGRITY RESPECT JUSTICE COMPASSION COURAGE

Newsletter No 28 Week 8 Term 3 10th September 2015

"Truly I tell you, just as you did it to one of the least of these who are members of my family, you did it to me."
Matthew 25: 40

Dear Parents and Community Members

At our assembly this morning the weekly Gotcha Awards were handed out. The awards are given to children who ‘display the Spirit of Jesus in our school’. The children display the Spirit of Jesus in many ways, and the number of Gotcha Awards handed out during the week indicate the Spirit of Jesus is alive and well in our school. This new initiative has developed from the introduction of the Making Jesus Real program.

The Making Jesus Real program is centered around the belief that we are the image of Jesus to all those people around us. We are His representatives and our actions should reflect His values. Jesus also made the comment that we are part of his family and that the ways we treat others should be reflective of the way we would treat Jesus. Today’s reflection is a quote that reflects the message of MJR. Thanks to Mr Skehan for presenting Making Jesus Real information at the P&F Meeting on Tuesday night.

Disco
From all reports the disco was a great success last Friday night. The students thoroughly enjoyed the music, dancing and lollies and the parents enjoyed themselves too. Thanks to Ebony Harris and Camille Dunstan for their organisation of the event and to the band of helpers who assisted in decorating the hall and helping out through the night.
Open Day
Don’t forget about the Open Morning which is planned for Thursday 24th September. The morning will consist of an MJR Assembly and musical items showcasing the wonderful work happening in Music, with Mrs Hearne and Mrs Mifflin. Following on from the assembly the classrooms will be open until recess time at 10.30am. At recess time parents are invited to join the staff for morning tea in the hall.

Year 6 Camp
The excitement is building as the Year Six camp quickly approaches. Next week the students will enjoy a wonderful week of fun, adventure and learning at the Ern Halliday campsite in Whitfords.

Thanks must go to Mrs Leach for organising such a wonderful experience for the young people. Thanks also to the other staff attending and to the parent helpers who will share the week’s activities.

Bull and Barrel Festival Meeting
On Tuesday 22nd at 7.00pm there will be a Bull and Barrel festival meeting. Details will be finalised and shared for those who have volunteered to help with the parking or dunking machine. Everyone is welcome to attend the meeting.

God’s blessing to you all

Gospel Reading: Mark 8: 27-35
Peter declares that Jesus is the Christ, and Jesus teaches that those who would follow him must take up his or her cross.

Peter had expectations about what it meant to call Jesus the Messiah, the Christ. Jesus was indeed the Messiah, but his life and death would show a different understanding of what it means to be the Messiah. We, too, have expectations of God and our own ideas about what we think God ought to be doing in our world. Like Peter, however, we may risk limiting our image of God by thinking only in human ways. God’s plan is always more that we can ever imagine.

As you gather as a family, talk about what we expect God to be doing in our world and in our family life. Why do you think Peter was so upset by what Jesus was saying? Notice how Jesus reprimands Peter. Do we sometimes forget to let God be God for us? That is, do we sometimes get discouraged because God doesn’t act in our world in the ways that we expect? Pray together that we will remember that God is always working for the world’s salvation in ways that are beyond our imagination.

"Help one another
This is what Jesus teaches us.
This is what I do.
And I do it
with my heart."
- Pope Francis

Where have you seen the Spirit of Jesus lately?
**OUR LADY OF LOURDES – CLASS NEWS**

**KINDY** We have been learning what a ruler is and how to use it. Goldilocks needed some hair. We used our rulers to measure lengths of golden raffia. We cut the raffia off at 10 cm long. We repeated this until we had enough lengths to give Goldilocks her beautiful hair.

**PRE-PRIMARY**

What a fabulous night we all had at the school disco on Friday night. We can't stop talking about it! Thanks to everyone who helped make the disco so fantastic. We completed an independent written recount of the event and Mrs Thompson thinks our writing is amazing!! Now we are looking forward to Open Day and our excursion to BREC in week 10.

**YEAR 1** Last Friday we ran in the Fun Run! We had some incredible stars. As a class we ran about 40 000ms!! How awesome is that for such little legs!

We had an incursion on Tuesday, which was so entertaining!

**YEAR 2** What a busy week it has been! We had fun in maths drawing symmetrical pictures using georeflectors. In Religion, we did drawings with our feet, so we could see what it would be like if we couldn't use our hands. We became reporters in English and wrote questions and found out answers about a frill-necked lizard. And in science we carried out an experiment to show how the water cycle works.

**YEAR 3** We have been learning about Australian Currency and equivalent values of money. We have examined some loving actions Jesus was moved to through his feelings and how we can pray for God's help to guide us towards being more loving and less selfish.

**YEAR 4** This week, we have been looking at perimeter and area in Maths. Sounds boring? Nope, we have been creating Lego people and answering questions based on perimeter and area and even fractions. They look really cool. In English, we looked at writing interesting introductions for our animal reports and we have almost finished these. If you want to find out about any sea creatures, Year 4 is the place to go!

**YEAR 5**

In year 5 we have been continuing to learn more about our solar system in Science with Mrs Heelan. As part of this activity we worked out the orbital distances of the planets using toilet paper. All students in year five have also been working hard to improve their multiplication skills for our weekly "World Series Multiplication" series. Through hard work and practice some impressive gains have been made and everybody in the class has achieved personal best times.

**YEAR 6**

The year 6’s are excited to be off on camp next week. While we are up there we will visit SciTech, Fremantle Prison, Maritime Museum, Ten Pin Bowling, The Great Escape and Parliament House. We are also doing team building, indoor climbing, surf life saving, orienteering, big swing, crate climb, abseiling, flying fox and archery… PHEW!!!
Orders need to be placed by 8.45am Thursday morning.  
Bags are available from the school office or canteen - $2.00 for 20.  
For recess and lunch items available every Friday, please see canteen menu or school website.  
Please ensure you are using Australian money only for orders.

**Tomorrow – Friday 11th September**

**If you are able to assist in the canteen please contact one of the Leaders or the front office.**

**Woolworths Earn & Learn**

The Woolworths Earn & Learn promotion is now finished. We need to have ALL the stickers back in at school by Tuesday 15th September. So if you still have some in the car, in your wallet, on top of fridge.... Please bring them in so we can buy some fantastic equipment for our school!

**Year 6 School Camp Fundraising**

The year six parents under the guidance of Gemma Gelmi have been fundraising throughout the year to help boost funds for the Year Six Camp. There were a number of successful fundraisers that were held during the year including a Sausage Sizzle at Bunnings, Muffin & Milo days at school and a wood raffle.

Special thanks must be extended to everyone who has contributed throughout the year! We are pleased to say over $2460 has been raised over the year. Thank you and well done to everyone involved.
**FUN RUN**

We had beautiful weather (cool and no rain!) for our Fun Run and a marvellous effort was produced by all participants in Years one to six. Even the Pre Primary students joined in for part of the Year five and year six run. The event was done for 15 minutes and our class teachers kept a tally of the number of laps and distance done by each student. On the day we had a total of 141 participants who ran, jogged and walked a combined distance of 300,011 metres, just over 300km! Class Results were:

Tennis Coaching Expression of Interest

The Dardanup Tennis Club is trying to organize after school coaching for term 4.
The plan would be to have a club coach from Bunbury to run group sessions, 4-6 year old (30-40mins) and a 7 year plus (1 hour) for 8 weeks.
If parents could email the children’s names, ages and a contact number; along with available days Monday through to Thursday. Email Peter at pgardiner4@hotmail.com.
If you are interested please Respond ASAP. There are limited coaches and times available.
Cost will be based on numbers. I'm hoping this will be around $10 to $15 per child per session.

Welcome to Dardanup Junior Cricket!

Registrations are now being taken for players from Year 4 to Year 6. Forms are available via email from either wkitaliano@westnet.com.au or braddau@gmail.com.
Registrations close by 17th September.
Season starts 17th October.
