We Value:

Compassion

Having a deep concern for others, especially those who are suffering, shown through kind words and actions in an effort to lessen their suffering.

We show this by:

- Including others in games
- Caring for the school and yourself
- Forgiving others when they make mistakes
- Noticing when others seem sad or troubled and help them.
- Finding the Spirit of Jesus in people we talk to.
- Asking 'how can I help?'

CONFIRMATION PRAYER

*Spirit of God grant me:
The gift of wisdom
to see the world through your eyes,
The gift of counsel
to make difficult decisions,
The gifts of knowledge and understanding
to use my mind to know you and to love you,
The gift of fortitude
to have the courage to live in the faith
despite the difficulties and disappointments,
The gift of piety
to be able to express my special love
and commitment to you,
and the right kind of awesome fear
that makes me pause to wonder and revere
God's Love.
Amen.*

Survey Feedback

Thank you to the families who responded to our recent parent survey facilitated by 'Tell Them From Me'. There were 48 respondents. The purpose of the survey was to gather feedback to work towards continual improvement. In the coming weeks we will be reviewing the data. Once again, thank you for taking the time to give feedback. It is appreciated. The survey is now closed.

Student Code of Conduct

Over the last few weeks teachers have been talking to students about the Student Code of Conduct. Each child from Year 1-6 has signed a copy, which they will be bringing home, and we would like you to discuss with your child. There is a copy in each classroom. It is pleasing to hear students challenge each other to abide by the Code of Conduct and we hope this provides them with clear guidelines for their words and actions and also gives clarity for students to seek assistance if required. A copy is attached to this newsletter for your reference.

OUR VISION

A welcoming community of Many Minds and One Heart in Christ

OUR MISSION

With Christ as its inspiration & guided by Gospel values, the school strives to promote the education & development of the whole child. Our Mission is to provide a high quality education that will inspire an ongoing love of God and embrace our core values:

INTEGRITY

RESPECT

JUSTICE

COMPASSION

COURAGE

Child Safe Parent Information Session

On Monday 25 June our school is hosting a parent workshop about online safety education. The workshop will give parents insights into social media platforms, online safety risks, strategies for setting up on 'online safe' home and will give examples of recommended resources and tools. The workshop will be held from 6.30-8.00pm. Our school is hosting this session for our own parent community and those of surrounding schools. See flyer in this newsletter.

Parent Child Workshop in Preparation for Confirmation

On Wednesday 16 May Year 6 families gathered to continue preparation leading up to Confirmation. It was an interactive evening where families were engaged in learning more about this special Sacrament. See photos in this newsletter.

Confirmation

This was a very special occasion for the Year 6 students and their families last Sunday. We pray that receiving the gifts of the Holy Spirit, these students will continue to develop their faith. Thank you to the Year 5 parents who assisted with setting up for coffee and cake and cleaning up afterwards.

AFL Football Clinics

A reminder that the AFL football clinics for all students in PP to Year 6 will continue tomorrow, Wednesday 30 May. This week is the last of the four sessions. We are grateful to Sporting Schools for the grant we received to hold these skills sessions.

Winter Carnival

The Winter Carnival will be held this Friday 1 June in Donnybrook. Our Year 4, 5 and 6 students will be playing soccer, netball and football against teams from St Mary's Donnybrook and St Michael's Brunswick. Parents are welcome to come along. There will be a coffee van on site in the morning.

Faction Fun Day

On Friday 8 June we are having our Faction Fun Day for Term 2. Students can wear their faction shirts with their sports uniform and there will be fun faction activities organised by our Year 6 students at lunch time. Our Year 6 students will also be organising pizza orders and juice boxes as part of their Economics and Business studies. A note for orders will be coming home today.

P&F Disco

Tickets are available at the office or through CDF Pay for this popular event coming up on Friday 8 June. See flyer in this newsletter for details.

School Board

The construction of two toilet blocks, one adjoining the Year 4 classroom and one adjoining the Year 2 classroom will commence in the next few weeks. The next Board meeting is Tuesday 19th June.

P&F

The next P&F meeting is next Tuesday 5 June at 6.30pm in the staff room. At the last meeting, the P&F committed funds towards the upgrade of our library. Everyone is welcome to come along and participate in decision making regarding P&F projects.

Medications

Any medication needed by students during the school day must be given to the office to store and administer. Parents need to give signed permission for administration. For the safety and well being of all students, medication must not be stored in school bags.

Public Holiday

A reminder that Monday 4 June is a public holiday.

Have a wonderful week

May God bless you

Code of Conduct for Students

As students of Our Lady of Lourdes School, we understand that all members of our school community need to follow a Code of Conduct for the safety and well-being of everybody, as we strive to be a welcoming community of 'Many Minds – One Heart.'

Conduct Statements (What We Expect of You)

1. You act safely so you don't hurt yourself or others.
2. You treat others the way you would like to be treated.
3. You follow school rules.
4. You show respect for others regardless of their differences.
5. You respect the property of others.
6. You respect the resources of the school, including classroom, ICT, sports and playgrounds.
7. You are honest and acknowledge your mistakes.
8. You listen to others, so everyone has a voice.
9. You follow classroom rules allowing teachers to teach so all students can learn.
10. You take pride in your school.

If you are concerned that someone is not following the Code of Conduct, you need to talk to a teacher first, then a member of the Leadership Team or the Principal.

CLASS NEWS

The **Year 1** room has been invaded by Bee-Bots! These very cute robotic bees are helping us learn how to program and control a robot. We are having so much fun trying to get our Bee-Bots to go in the direction that we want them to go.

Sometimes they can be very tricky!

The **Year 6** class had a wonderful day at the Confirmation Retreat on Friday. They did lots of activities including ones about Pentecost, their names and saints. Congratulations to the 14 class members who received the Sacrament of Confirmation on Sunday.

We are nearly finished our reports about a chosen natural disaster in our writing lessons.

In Maths this week we are multiplying and dividing with fractions. We have been working so hard and we are looking forward to the long weekend.

Year 2. What a wonderful week we had last week with our assembly. We were very excited to show everyone our play. In literacy we have been learning about some strategies - making connections with the text, learning about characters and why authors created characters in a particular way, as well as summarising a text.

In maths we have been learning about written addition and subtraction and looking at some cool ways to solve problems. In health we have been learning about protein, carbohydrates and calcium. So much learning as the term flies by!

Exciting things have been happening in **Pre primary**. We have been so lucky to be able to observe the life cycle of butterflies. We would like to say a big thank you to Sarah Float who so kindly organised seven chrysalis to be arrive in our classroom. Over a week we were able to observe changes that take place during the hatching period. We used magnifying glasses to examine the chrysalis and the butterflies when they hatched. We discovered that butterfly wings are symmetrical and we had fun creating our own examples of symmetrical pictures. After all the Butterflies hatched, we released them in a calm spot out of the wind. What an exciting week we had!

Year 4

Week 5 means that this term is already half way done!

In Mathematics students have been using number lines to investigate equivalent fractions.

In English students have been looking at some traditional tales and point of view. They have begun writing their own versions of these stories focusing on telling the story from a different point of view, looking at how this changes who the villains of the story are.

In Religion we have been looking at the lives of Saints Peter and Paul and how the Holy Spirit strengthened them to do well.

Year 5

In Math we have started our unit on Volume. We have made 3 dimensional shapes and filled them with cubic centimetres. We have discovered that the formula for calculating volume is length x width x height.

In English we are beginning our work on recounts. We are looking at the structure and language features. We are all looking forward to the Winter Carnival on Friday.

In **Year 3**, we have completed our NAPLAN testing and are now busy preparing for our class liturgy and assembly item. In maths we have been learning about fractions of a whole and of a group. We have started our Religious Education unit on Penance, and will soon be getting ready to receive the sacrament of Reconciliation for the first time.

We have been enjoying the Footy Clinics and have learnt lots of useful skills.

Kindy

We have been learning all about dinosaurs! We have made fossils from clay and skeletons from pasta. We measured and compared 10cm objects. That's the size of a T Rex tooth!

We loved the Dino World Incursion and made our own pet dinosaur.
