HISTORY

On Monday April 12th 1920, a Convent School was opened in Dardanup by the Sisters of Mercy at Prinsep Park. In 1922, the new convent was ready and on Monday 6th February the sisters moved the new school into the convent. It was officially opened on Sunday 22nd April in that year.

The history of Catholic Education in Dardanup however, starts long before that, with a man named Thomas Little.

Thomas Little was born in Country Galway, Ireland in 1800. He was sent out from India to manage property for Charles Prinsep, a wealthy citizen of Calcutta. After some years of successful management, he bought land for himself in the area which he called Dardanup Park. He is credited as being the first to settle in this area.

During the Irish famine, he induced many of his fellow countrymen to migrate to Dardanup, and hence Dardanup quickly became a predominantly Catholic settlement.

It was in 1852 that Thomas Little decided to give 50 acres of his estate to build a Church and monastery. The Church was completed and blessed on April 19, 1857 and was the first Church completed outside Perth and Fremantle.

A School was soon opened on September 15, 1857 at the expense of Mr Little and held its first examinations at the end of 1857.

From 1871-1877, the teacher at the school was Miss Ellen Costello. Ellen Costello was later to become Mother Angela, the first Australian born superior of the Sisters of Mercy in Bunbury in 1897.

By 1897 however, the classrooms had fallen into a state of disrepair and it was poorly equipped and had few facilities. The pupils were withdrawn from the Catholic owned buildings and moved to a more modern structure built over the road from the church and ran as a state school.

After this time, the Sisters of Mercy continued to visit Dardanup to instruct the children in their catechism.

It was Father Finnegan who later decided a Catholic school was again needed and worked tirelessly to establish the school. On Tuesday April 6, 1920 Prinsep Park house was leased from Mr Venn as a temporary School and residence for the Sisters of Mercy pending the erection of a Convent and School on the site chosen on the mission land in the township. On Monday April 12th 1920, a Convent School – complete with 21 pupils – was opened in Dardanup by the Sisters of Mercy. The first sisters were Sr Columba, Sr Finian and Sr Berchmans.

On February 5th 1922, the building was finally ready and the Sisters withdrew from Prinsep Park and moved into the new convent and school. At the official opening of the convent and school on Sunday April 2, there was a large crowd present and members of St Patrick’s band from Bunbury provided music for the occasion. Archbishop Clune accompanied by Venerable Archdeacon Smyth and Rev Fr Finnegan were present for the opening.

Numbers continued to grow and when the new Church was completed in 1938, the old church was once again used as a classroom due to overflowing numbers.

By 1948, the numbers at the School had continued to grow. It was this year the Fr Charles Cunningham, later Monsignor, came to Dardanup as the Parish Priest. He lost no time in presenting the parishioners with the need for new classrooms to accommodate the increasing population of Catholic students. Thanks to the support of local carpenter Mr Peter Byrne and lots of parish and parent supported busy bees, the two-classroom building was completed in 1949 (currently the school library).

The foundation stone of the school was laid on July 9th 1949. His Grave, Archbishop Prendiville blessed and opened the two classrooms, it had cost 1400 pounds.

Two years later saw overcrowding again and a need for yet another room. In February 1952 at a cost of 800 pounds, this third room was added.

Children of railway workers housed in Boyanup come to the School as did children of nearby Italian timber workers. Both these sources later closed.

During this time, a Bushie School was held annually by the Sisters of Mercy. The local sisters and some extra sisters from Perth would use either May or August holidays to complete the instruction. These continued until 1962.

Numbers dropped when boys transferred to the new Marist Brothers College (later Bunbury Catholic College) in 1952.

The Sisters continued to offer music and Religious Education to children of the broader region.

In 1974, a Lay teacher was introduced to the school and in 1975 the school had a Lay Principal. By this time, Year 7 classes were moved into Bunbury.

While the numbers at the Catholic School were for obvious reasons
reduced, the Government School was overcrowded and needed to lease a room from the Catholic School for a short time.

In 1976, when the Board heard that the Carmelite Sisters were coming to the Convent, they built a staff and storeroom onto the School. (currently the back of the school Library building)

In 1979, after a lot of hard work by parents, Monsignor Giles and the Principal, Miss C. Kutil, along with a reciprocal grant from the government, the renovations on Thomas Little Hall were completed. A dedication Ceremony and luncheon were held to mark the occasion.

In 1982, Year 7 was once more back in the school and a male teacher joined staff. With increased staffing and clerical requirements, there was a need to increase the Administration area and so when the Carmelites moved from the Convent in 1984 the school Administration transferred to the two front rooms.

1992 saw the removal of the end classroom, built in 1952, to expose the Thomas Little Hall once more, with its historical uniqueness, to the wider Dardanup community. The two original classrooms were converted to a Library and Administration centre whilst three new classrooms were built to the east on the adjoining location. They consisted of a Pre-primary/Year 1-2 Room and Middle and Upper Primary Rooms. Pre-primary was introduced for the first time in 1992 and a highly successful Rural Integrated Programme has been adopted.

1999 was when the new administration block, Year Three classroom and canteen were built. Kindergarten was introduced for the first time and the room combinations were K/PP/Yr 1, Yr 2&3, Yr 4&5 and Yr 6&7.

2005 saw the completion of building of another two classrooms and in 2009 saw the completion of Stages 6 and 7 of the building plans, which took Our Lady of Lourdes to full single stream capacity. This saw the inclusion of a new Pre-Primary room, toilet block and classrooms.

In 2010, the Building Education Revolution government funding was used to complete a hall complex, incorporating a hall, meeting rooms, toilets and a staffroom. This funding also allowed for an extension and renovation of the administration block.

During 2013, the P & F Association agreed to support the parish in the purchase of land to the east of the school, as a part swap, part purchase agreement, to allow for future growth of the school.

2014 was the last year our school held a Year Seven class. As per new State guidelines, as of 2015 year seven will now be part of secondary school. Our Lady of Lourdes is now Kindergarten to Year Six.

Term 2, 2019 saw the commencement of Pre-Kindergarten program for 3-year-olds at OLOL.

On Saturday 15th February 2020 the school held 100 year celebrations. Over 300 past and present students, families and staff came to celebrate and officially bless the new memorial garden.
Our School has been named after Our Lady of Lourdes and so our Crest has been designed on the events that occurred at Lourdes and the significance of this to our School. Also, this Crest endeavours to capture the ‘essence’ of our School.

The band in the centre represents water: of the spring at Lourdes and the significance of water to the community in Dardanup.

The Church Window represents the Chapel requested by Our Lady to be built in the Grotto at Lourdes and also the Thomas Little Hall, the previous Church of our Community that is significant to our School.

The other symbols on our Crest that endeavour to capture the essence of the School are:

The Cross signifying our Christianity.
The Dove signifying love and innocence.
The Olive Branch signifying reconciliation and peace.
The Book signifying the Gospel, knowledge and wisdom.

Our School colours also hold significance to our Crest – White symbolises purity, holiness and joy and Blue symbolises Heaven, knowledge and contemplation.

Our School Motto is:

**MULTAE MENTES COR UNUM**  
**MANY MINDS, ONE HEART.**

SCHOOL FEES: Setting and Collection

PRINCIPLES
The School Board of Our Lady of Lourdes School, Dardanup has the responsibility for the financial management of the school and is thus consequently responsible for the collection of school fees. Every effort is made to keep school fees as affordable as possible.

The collection of school fees shall be approached in the spirit of charity and justice. We recognise and support the Catholic Church’s preferential option for the poor and disadvantaged and thus in special circumstances fee arrangements can be made in conjunction with and through the Principal (Amenities fees and Building Levy are not subject to negotiation). The inability to pay fees shall never be the reason for the non-acceptance of a child in a Catholic School. Such applications will be treated with dignity, compassion and confidentiality.

The School Board models justice in its expectations of parents supporting the financial needs of the school community. Accordingly, it is only just if parents who are able to pay fees do so. Thus the School Board will actively pursue fees from families who have the capacity to pay.

PROCEDURES
Upon enrolment at Our Lady of Lourdes, parents will be informed of the fee structure of the school. Parents will also be informed of changes to the fee structure at the Annual General Meeting held in November each year.

An annual statement which will include tuition fees, amenities, building levy, as well as other fees applicable to each year level will be sent out via the eldest child in the family during Term 1.

Reminders will be sent to families 14 days after the due date.

FEE COLLECTION
All school fees are expected to be paid by the due date. Families with short-term financial problems are expected to contact the Principal in order that payment arrangements may be made. Families who currently hold a Health Care Card/Pension Card are entitled to a fee discount.

Where a family has ignored repeated reminders and attempts at fee negotiation and payment the School Board may call in the services of a debt collection agency or solicitor. If these steps are unsuccessful then, after discussion with the director of Catholic Education, further legal action may be taken.

Parents who wish to take their child or children from the school before the official conclusion of the day must inform the teacher concerned, and complete an early departure note in the office. Only the legal guardian may remove their child from school. If there is any reason for someone other than the legal guardian to take a child from the school a written note must be given to the teacher from the guardian.

**COMMUNICATION**

Newsletters are sent home fortnightly on Tuesday via email or a paper copy with the eldest child in the family. Term Dates are advertised in the newsletter at the beginning of each term with reminders as events draw close. This is the way we share correspondence with the whole school community. Parents may make appointments to meet with class teachers or the Principal by contacting the office.

**PASTORAL CARE**

Our Pastoral Care policy aims at defining activities and enhancing already established practices as well as exploring ways of understanding and dealing with evolving needs.

Positive re-enforcement is used by all teachers to encourage appropriate behaviour and respect for others.

Classroom rules are established in a collaborative manner.

Should there be continued occurrences of inappropriate behaviour then the procedures outlined in the school’s Behaviour Management policy are followed.

Parents are informed of behavioural problems promptly and are expected to work with the school in rectifying the situation. Specific programs are in place for all students including resiliency programs and an anti-bullying policy and procedures.
DISCIPLINE POLICY

RATIONALE
In partnership with the family and wider community, we aim to assist students to develop self-discipline and accept responsibility for their own behaviour. Whilst we aim to create a positive environment, which will limit discipline problems, we maintain a system for dealing with and resolving conflicts when they arise.

DEFINITIONS
Discipline means guiding the student towards self-control and self-direction. It can never be reduced to the mere enforcement of a set of rules.

• Our task is to promote constructive and positive behaviour.
• The development of a healthy self-concept in students is essential to self-discipline.
• Constructive discipline grows out of a caring teacher-student relationship.
• A well-planned curriculum contributes to effective classroom discipline.
• All members of our community have a right to be treated with respect and courtesy.
• Students’ growth towards self-discipline is developmental and reward/punishment needs to be appropriate to each student’s stage of development.

PRINCIPLES

• To raise awareness that every individual is responsible for his/her own actions and that we all have rights which must be respected.
• To provide opportunities for students to display initiative and responsibility.
• To reward and encourage students for the effort they make in school life.
• To provide strategies for students who are negatively affecting the rights of others so that they may be assisted in modifying their behaviour.
• To provide opportunities for children to develop appropriate interpersonal relationship skills.

PROCEDURES
Our Lady of Lourdes Catholic School will carry out the following actions to ensure these principles are met:

• Gotcha Awards will be distributed to children in the classroom for positive behaviour. Two awards (two each for seniors and juniors) will be drawn at MJR Assemblies.
• Each class will have a set of class rules. These will be displayed in the classroom.
• There will be a clear set of consequences for not following these rules.
• Students start each day anew, with no carry-over from previous day.
• Teachers will endeavour to maintain a positive classroom environment with a system of rewards and affirmations.
• At the discretion of the staff involved, out of class intervention will result when a student has not responded to the classroom discipline policy or has made an infringement on the school ethos.

This will involve:
• An interview (counselling)
• Matter referred to the Assistant Principal or Principal
• Detention: Parents will be notified and the students will miss out on playing time during the lunch break.
• No student will be sent out of class except when continually disrupting the lesson and then only to a buddy classroom.
• The teacher will counsel or discipline the student as soon as possible after the disruption and have him/her return to the class. Teachers will set up a ‘time out’ space in their classroom which is away from the other students if they have a student who is frequently disruptive.
• Minor playground indiscretions will be dealt with by:
  o Staying with the teacher.
  o Time-out.
  o Restorative justice practices, where students are encouraged to reflect on the effect of their actions on others.

CURRICULUM

Our goal is to provide the opportunity for a quality education that acknowledges and caters for the needs of the individual children in their learning. To do this we use the Western Australian Curriculum to guide us in developing a learning environment that is stimulating, developmental, balanced and where children feel encouraged and supported. Religious Education is the first learning area in Catholic schools and is taught along with the other learning areas. These are The Arts, English, Mathematics, Health and Physical Education, Science, Humanities and Social Sciences, History, Technologies and Languages (Italian).

RELIGIOUS EDUCATION

Within a school environment that integrates faith, life and culture; daily Religious Education sessions are conducted in all classes. The Perth Archdiocese Religious Education Units of work form the basis of religious education instruction and practices in the school. All students, irrespective of religious affiliation are expected to participate in all aspects of the Religious Education programme. Making Jesus Real (MJR) is a program aimed at empowering students to develop life skills, essential for success. The program is centred on the belief that we are the image of Jesus to all people around us. The students at Our Lady of Lourdes are encouraged to bring the Spirit of Jesus alive through their positive interactions with each other and the community. The MJR message is simple: it is part of our everyday lives; we can bring the Spirit of Jesus to life through our daily actions and words. Twice a term at the MJR assembly we celebrate the MJR Stars. These awards recognise students in our school living the values outlined in the MJR program.

SCHOOL EXCURSIONS

Parents will be notified in advance of all details relating to excursions. Every excursion is organised so that it enhances the school curriculum and full safety precautions are adhered to. Parent permission must be given before students leave the school on excursions. School camps are organised annually for Year 5 & 6 students.

LIBRARY

Every student has access to the school library and all, including Kindergarten, may take books home. Any books taken home must be placed inside a library bag and need to be looked after.

The cost of replacing damaged or lost books will be met by parents. Please note your child’s library day and ensure they have their library book with them.
Our Lady of Lourdes, Dardanup is committed to providing high quality education programmes to meet the needs of our students. Our school provides a comprehensive reporting programme that keeps parents informed of the academic, social and behavioural progress of their children. The reporting process includes written reports, parent meetings, NAPLAN reporting, learning journeys, Bishops Religious Literacy Assessment, and Curriculum Adjustment Plan (CAP) and Individual Education Plan (IEP) meetings.

**Formal Reporting – Kindergarten to Year 6**

Term 1: Parent/Teacher meetings

Term 2: Semester One Reports

Term 3: Open Morning

Term 4: Semester Two Reports

**Informal Reporting**

Parents are encouraged to make contact with their child’s class teacher to discuss the developments of their child throughout the year.

**ASSEMBLIES AND SCHOOL MASSES / LITURGICAL CELEBRATIONS**

Each class is responsible for presenting an assembly once per year, highlighting the recent work being done by that class. Assemblies are held on Thursdays at 8.45am.

Each class is also responsible for organising a class Mass or Liturgy each term. Please check Term Calendar for dates.

School liturgical celebrations will be held throughout the year. Each class will have the opportunity to prepare and become involved in the Liturgies by reading, singing, presenting the offertory and other meaningful activities. Liturgy is an integral part of the Religious Education programme and teachers will make every effort to make this a special and prayerful time for the children.
PLAYGROUNDS

The Early Childhood playground area has undergone significant improvement, in line with the National Quality Standards and the Early Years Learning Framework, providing students with a play enriched environment, where children are able to explore, identify, negotiate, take risks and create meaning. The physically active play allows children to test and develop their motor skills, as well as promoting health and well-being.

During 2016 and 2017 a Nature Play Space was created largely through parent involvement, community donations and busy bees. This is an ongoing project. As a school, we are very proud of the collaboration between community members that enabled the creation of this amazing play space.
PARENTAL INVOLVEMENT

Parental involvement enhances learning programmes and gives parents the opportunity to be a part of their child’s education at school. There are a wide range of areas that parents can assist within the school including committees, classroom volunteer work, excursions, sports, canteen and various other ways.

SCHOOL BOARD

The School Board assists the Principal in a number of ways with the two main areas being financial management and capital development. The School Board is accountable to the Catholic Education Commission of W.A.
Meetings are held on a Tuesday evening each month.
At the Annual General Meeting all parents, except those employed by the school, are eligible for election. The Chairperson’s and Treasurer’s reports are also presented at this meeting.

PARENTS AND FRIENDS ASSOCIATION (P&F)

Parents are invited to be active participants in the Parents and Friends Association which exists to improve the educational facilities for the students, provide a forum for school / home liaison and organise social events. Meetings are held twice a term, alternating between evening and morning meetings.

PARISH PRIEST

The Parish Priest has an important role to play in the pastoral care programme of the school. The school staff and Priest work in partnership to support the faith development of our students, including preparation for reception of Sacraments.

The Parish Priest is an ex-officio member of the School Board.

SICKNESS

If your child is ill, please keep him/her at home until he/she has recovered. If a child becomes ill during the day, parents will be notified to take them home.

MEDICATION

The school’s policy on the administering of medication has been developed with the student’s well being in mind in accordance with the directions from the Catholic Education Office. It is preferred that all medication is given by parents or guardians. Medications are to be stored in the office. In the case of medication to be taken daily over a long period of time, there are specific school-wide procedures to be followed. Discussion with the Principal is required.
ANAPHYLAXIS

Your child’s health and safety is of utmost importance to us. At Our Lady of Lourdes School we have several students who have allergies to foods, with which exposure could place their lives at risk. Exposure to these allergens could cause an anaphylactic reaction. Parents need to be aware that we are NOT dealing with a mild allergy that will result in some discomfort and a rash. **We have students who are highly anaphylactic and exposure to nuts, eggs or shellfish will be life-threatening and necessitate emergency treatment and hospitalisation.**

Exposure to nuts and shellfish pose the most serious risk and so are **not permitted** in the school area. Nuts are included in many processed products. Examples are muesli bars, some chocolate bars, some biscuits, and foods cooked in peanut oil, but there are many more. Shellfish include crab, crayfish, oysters, mussels, and prawns and may be included in foods such as fried rice products (as shrimps/prawns). Please read labels very carefully and **do not send your child to school with any product that states it contains nuts or shellfish (labelled crustacea).**

In addition to this, some products are labelled with “May contain traces of nuts and/or crustacea”, or “Processed on equipment that also processes nuts and/or crustacea”. These products are also a risk for an anaphylactic child, but possibly not as immediate or extreme as direct exposure. Ongoing exposure however, can lead to a child becoming more sensitive to these foods over time. We prefer you look for alternatives to foods labelled in this way, which we understand is difficult. Even the content of a product can vary across different brands, so it is imperative that labels are read carefully.

It is important that we are all working as a team to ensure the welfare of our students, and we thank all parents for respecting our desire to do all we can to ensure the safety of all of our students.
