

P&F President's Report
Annual School Community Meeting 2019

Welcome and thank you for attending the OLOL 2019 Community Meeting.

2019, fresh faces and a new year. Thank you to the previous committee for all the work you have done. Only now after surviving a year do I truly understand what is involved, but more importantly what I have gained.

So, what did we do??

School Fun run fruit platters.

Dardanup Art Spectacular Gala opening night catering & weekend door sales.

Mother's Day Raffle and Morning Tea.

School Disco.

Father's Day Breakfast (In its second year, and turning out to be one of the most attended school events).

Bull and Barrel Festival Parking & Chocolate Stall.

Sports Carnival cake stall and sausage sizzle.

Interschool Sports Carnival and Subway lunch.

Book fair, and the soon to be seen

Christmas Raffle...tickets on sale this week, don't forget to get your tickets as the prizes are amazing.

2019 saw some new events on our calendar. The regular Friday Morning Lapping Legends. A big Thank you to Elle Barbetti for her efforts with this. We also assisted the school by organising the bar for The School Quiz Night.

A P&F Committee is only as good as it's people. And this year I have been blessed with an amazing group of ladies who have helped us achieve all that we have. Thank you! To our class representatives who have boldly taken on more than in previous years, thank you. You have all done a great job. Allocating an event to each year group has spread the work load, and helps strengthen our school community.

Most of these events are for raising funds for our school. Where have we spent these funds?

The year 3 and year 1 classrooms now have interactive projector systems.

We have purchased 2 new gazebos for outdoor activities.

We subsidised the art work for our year 6 leavers shirts.

We have subsidised the year 5 and 6 school camps.

Our year 6 students are given bibles for their continued studies into high school.

Our teachers are granted an item from their wish list for their classrooms.

A new lectern was purchased for school hall.

New books for the library as part of the book fair.

What a year it has been... Bring on 2020!!

Alison O'Rourke
